Resolution No. 8550.

Bombay Castle, 12th October 1949.

RESOLUTION OF GOVERNMENT.

It has come to the notice of Government that the managements and/or inmates of some Backward Class Hostels maintained by Voluntary Agencies are participating in political or communal activities which are likely to excite disaffection against Government, or promote feelings of hatred or enmity between different classes or disturb public peace. Government considers this to be highly undesirable. The managements of such hostels should be informed that the grant in-aid or even recognition of such hostels may be withdrawn if participation in such undesirable activities is not stopped.

2. The following new rule should be inserted after rule 8 of the rules for the recognition of and payment of grant-in-aid to the Backward Class Hostels run by Voluntary Agencies printed in the accompaniment to Government Resolution, General Department, No. 467/33, dated the 28th February 1940:-

"8-A. The recognition of, or the payment of a grant in-aid to a Backward Class Hostel under these rules may be withdrawn or stopped if the staff and/or inmates of the hostel take part or subscribe in aid of or assist any political or communal movement which leads directly or indirectly to excite disaffection against or embarrasses Government or promotes feelings of hatred or enmity between different classes or disturbs public peace.

..... Provided that before withdrawing such recognition of stopping grant-in-aid, an opportunity is given to the managements to show cause whh such action should not be taken against them.

Provided further that the managements may submit an appeal to Government against the order withdrawing such recognition or stoppint such grantin-aid. The appeal shall be submitted within 30 days of the dated of the order appealed against. The decision of Government thereon shall be final.".

Grant-in-aid to ---

Government of Bombay,
Education Department,
Resolution No. 8550,
Bombay Castle, 4th April 1950.

Government Resolution, Education and Industries Department, No. 8006, dated the 22nd January 1949.

Letter No. AM/IX/146, dated the 2nd February 1950 from the Backward Class Officer, Bombay State, Poona.

RESOLUTION:- It has been the policy of Government to encourage cosmopolitan hostels to admit backward class students and pay them grants in respect of the Backward Class inmates. A question has arisen as to how the grants to such cosmopolitan institutions for girls which also admit backward class girls should be regulated. Government is now pleased to direct that when the number of backward class girls in such hostels is 20 and over there should be no objection to paying grants in respect of each item at the scales Department, No. 8006, dated the 22nd January 1949. Where however the total number of girls in the hostel exceeds 20 but the number of backward class girls is less that 20, stipends should be paid in respect of the average attendance of the backward class girls in the previous year but as regards other items of expenditure the Backward Class Officer should be authorised to make a proportionate reduction in the grant payable to the hostel.

2. Grant-in-aid should be given only to those hostels where there is no discrimination whatever in the treatment given to different categories of residents.

RESOLUTION:- The Backward Class Board in its 53rd meeting held at Baroda on the 24th December 1949 has recommended that suitable provision should be made in the Rules for the recognition of and the payment of grant-in-aid to the Backward class Hostels run by Voluntary Agencies in the Bombay State laying down that the period of admission to Backward Class Hostels for eligibility for grant-in-aid may be extended from two months from the beginning of the academic year to four months i.e. upto the end of June in every academic year in the case of school students.
